# INTRODUCING THE DOVER COLLEGE ANNUAL FUND

The Annual Fund enables parents, former parents, Old Dovorians and the wider community of Dover College to play a part in the further development of the school.

The projects selected for this year would greatly enhance the school experience for our pupils during this period of

the College's history. A bursary can enable local talented children whose families do not have the financial means to access our educational offer.

Every gift makes a difference. By contributing to one or more of our Annual Fund projects, your gift will enrich the lives of current and future generations of Dover College pupils.

Over 300 companies in the UK match the gifts their employees make to charities. Please do check with your company if they support this scheme to double your gift to Dover College.

COVID-19 restrictions.

Through the Annual Fund, there is also the opportunity to donate to our Dover College 150 Bursary Fund. The offer of an education to deserving local families is an enduring part of

Regular donations can make an enormous difference to our efforts to drive the College forward. If 250 people were to give £15 a month, an incredible £45,000 would be generated every year to fund bursaries or further enhance the educational offer for our pupils.

## DOVER COLLEGE 150 BURSARY FUND

### OUR GOAL

To raise £37,000 to support a Sixth Form Day pupil for their two years at Dover College. This covers school fees, plus 10% to cover essential extras including uniform, books and trips. The place would be for a talented local child, whose family would not otherwise have the means to access a Dover College education.

### WHY DONATE?

Collective giving is extremely powerful. The 150 Bursary Fund provides an accessible and affordable way for you to donate a small amount regularly to make the difference to a deserving child's education.

### WHO CAN DONATE?

Anyone! This is an opportunity for Old Dovorians, parents and friends to join forces to offer a life-changing opportunity to a deserving young person.

### FOR EXAMPLE

# PROJECTS 2020/21 ACADEMIC YEAR

## HOUSE IDENTITY (£1,750)

Driven by our Heads of School and Heads of House, the pupil body are eager to restore a strong sense of House identity during this period of restricted access. Each House has designed a crest, and this project would fund hanging flag banners in the Refectory, a House Points board in the Cloisters and flags and other branded goods for House common rooms.

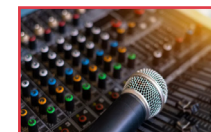

## OUTDOOR FURNITURE FOR THE CLOSE (£2,000)

During this period pupils are being encouraged to spend as much time as possible outdoors. This project would fund the provision of wooden benches on The Close.

## MUSIC STUDIO (£4,000)

Gathering for concerts and recitals is not possible at this time, so the provision of virtual events is the next best thing. This project would fund recording and mixing equipment to allow pupils to capture and broadcast performances to the community.

## REFECTORY FURNITURE (£17,000)

The existing tables and benches lack flexibility and make social distancing more challenging. This project would fund replacement tables and chairs sympathetic to the style of the room, as well as storage trolleys so that the space can be cleared for use for other purposes.

## HOW YOU CAN GIVE
