

# TRANSPORT & LOGISTICS

How can you make a start on your career during your time in secondary school?

1

## LEARN & EXPLORE

- Focus on subjects like Geography, Maths, and Business Studies.
- Try free online courses in supply chain management, logistics, or transportation

2

## GAIN EXPERIENCE

- Volunteer at local delivery services or community transport projects.
- Look for part-time jobs in warehouses, delivery, or logistics support.

3

## DEVELOP SKILLS

- Practice planning, organisation, and time management.
- Learn how to use logistics software and understand transport regulations.

4

## NETWORK & CONNECT

- Attend transport and logistics career fairs or workshops.
- Join online communities related to transport, warehousing, and logistics.

5

## PLAN FOR THE FUTURE

- Research careers in logistics management, transportation, or supply chain coordination.
- Explore college programs or apprenticeships in transport and logistics.
